

# Accelerate productivity with Adobe Acrobat Pro AI assistant

## Overview and Demo (1 hour session)

### Description:

In this session, AFTIA's experienced Acrobat Solutions Consultant will introduce you to the new AI assistant in Adobe Acrobat Pro, to discover how to turn documents into action, and gain high-quality insights, and faster time to value.

---

## Deliverables

### Learning Session

AFTIA's Acrobat Solution Consultant will schedule and deliver one session to introduce you to the capabilities of the AI assistant in Acrobat Pro to summarize, get key takeaways, insights, formulate strategic questions, and more.

## Agenda

### Acrobat AI Assistant Overview

1. Adobe's AI Ethics process and handling customers data.
2. What is included in Acrobat AI Assistant?
3. Common use cases for Generative AI for PDF's.

### Acrobat AI Assistant Demo
